

Special Edition - 4 April 2017

UN Research Guides

In April 2015, we issued a special edition of our newsletter highlighting the various research guides produced by the UN Libraries in [New York](#), [Geneva](#) and [Vienna](#).

We have now updated our original listing and added additional research guides / LibGuides / Biblioguías from the [Library of the International Labour Organization \(ILO\)](#), the [Knowledge and Library Services Section of the UN Economic Commission of Africa \(ECA\)](#), the [Libraries of the Economic and Social Commission for Latin American and the Caribbean \(ECLAC\)](#) as well as our own [UNRIC Library Backgrounders](#).

Below please find links to all guides in alphabetical order starting with the [English](#) ones (ca. 150 different topics), followed by [French](#) and [Spanish](#) (both ca. 70 different topics):

Research Guides

One-stop entry point for English-language guides:
